

## Student Travel Awards

The student travel award program is intended to provide up to \$500 to defray travel expenses to the International Clay Conference.

1. The student applicant shall submit an abstract and his/her curriculum vitae electronically.
2. This submission shall be supported in writing by his/her supervisor.
3. Both the student and the supervisor shall be members of AIPEA.
4. The student must be under 35 years of age.
5. Financial support can only be used to attend an International Clay Conference and its associated excursions, field trips and workshops.
6. A student may only apply once for this Award.
7. The amount of support can be up to \$500 per student.
8. Submissions shall be made electronically to the AIPEA President at the e-mail address on the AIPEA web site.
9. The selection committee will consist of three members selected by the President of AIPEA.
10. Deadlines for submissions are as follows:
  - submission of abstract + CV + letter of support: by the International Clay Conference abstract submission deadline date;
  - notice of decisions: one month after the International Clay Conference abstract submission deadline.
